

P.E. LABELLERS S.P.A. – COMPANY PROFILE

Founded in 1974 in Mantua (Italy), P.E. Labellers is a global leader in the design and manufacture of entirely modular and ergonomic automatic labeling machines.

The developed solutions offer all available labeling possibilities, even reciprocally combined, through independent and interchangeable machines and stations.

The company's lean production is inspired by the concept of total flexibility: with this Design Innovation approach, P.E. Labellers produces 450 machines each year, both rotary and linear, for the beverage, wine&spirits, food&dairy, but also personal&home care, pharma, chemical and pet food sectors.

Today, 10,000 P.E. machines are installed worldwide and widely managed remotely thanks to continuous support and maintenance services. P.E. Labellers features a global dimension: 8 production sites distributed amidst Italy, US, Brazil and 500 employees all over the world.

The company is part of the multinational group ProMach, a world leader in Packaging.
